DAY 01

MONDAY, SEPTEMBER 12

KEYNOTE PRESENTATIONS

GMT Timings	Local Timings	
09:30-10:00		AV Check
10:00-10:10		Introduction
10:10-10:50	13:10-13:50	Iuliana Vintila, University Dunarea de Jos Galati, Romania Title: Critical issues of FOP nutrition labelling developing and implementing systems
10:50-11:30	13:50-14:30	Sena Ardicli, Bursa Uludag University, Turkey Title: Are we really what we eat? Molecular genetic aspects
11:30-12:10	17:00-17:40	T B S Rajput, Indian Agricultural Research Institute, India Title: Sustained growth in horticulture in India substantially improved nutritional requirement of its population
12:10-13:30	07:10-07:50	Luke Engelking, UT Southwestern Medical Center, United States Title: SREBPs in the control of intestinal homeostasis and tumorigenesis

ORAL PRESENTATIONS

13:30-13:50	23:30-23:50	Seon Yeong Park, Deakin University, Australia Title: Socioeconomic disadvantage and meal provision in Australian early care and education (ECE) services: Time for systemic action
13:50-14:10	15:50-16:10	Adryana Cordeiro, Universidad Internacional Iberoamericana, Mexico Title: Vitamin D supplementation and loss visceral adiposity in individuals underwent bariatric surgery
14:10-14:30	15:10-15:30	Boglarka Zilla Gulyas, The University of Sheffield, United Kingdom Title: The potential of household fruit and vegetable production to improve diets and promote health in the UK
14:30-14:50	21:30-21:50	Zin Myo Swe, Kasetsart University, Thailand Title: Innovative synbiotic product development enhanced with honey and pigmented rice
14:50-15:10	20:20-20:40	A D D C Athauda, Ministry of Health, Sri Lanka Title: Household food security status is associated with central obesity in early adolescent girls
15:10-15:30	20:40-21:00	Vijay Kumar Dalal, Deemed University, India Title: Understanding chloroplast biogenesis/plastid development in tomato shoot apical meristem (SAM) through transcriptomics/NGS

15:30-15:50	21:00-21:20	Ganga Sahay Meena, ICAR-National Dairy Research Institute Karnal, India Title: Improvement in functionality of buffalo milk protein concentrate 60
15:50-16:10	16:50-17:10	Siraj Muhammad Funtua, Federal Polytechnic, Nigeria Microbial analysis of selected ready-to-eat foods prepared and sold in restaurants within kaura-namoda metropolis, Nigeria
16:10-16:30	20:40-21:00	Nava Morhedzadeh, Kerman University of Medical Sciences, Iran (Islamic Republic of) Title: The effects of flaxseed supplementation on metabolic syndrome parameters, insulin ulcerative colitis patients
16:30-16:50	18:30-18:50	Amira M Hegazy, Beni-Suef University, Egypt Title: Development and validation of two robust simple chromatographic methods for estimation of tomatoes specific pesticides' residues for safety monitoring prior to food processing line and evaluation of local samples
16:50-17:10	13:50-14:10	Gilciane Ceolin, Federal University of Santa Catarina, Brazil Title: Role of vitamin D in depression in older adults
17:10-17:30	19:10-19:30	Dominik Tarabasz, Medical University of Lublin, Poland Title: Glucosinolates from <i>Lepidium peruvianum</i> as potential anti-amnesic drugs

POSTER PRESENTATIONS

17:30-17:40	20:30-20:40	Neamt Radu Ionel, Research and Development Station for Bovine Arad, Romania Title: Cow's temperament - A trait closely related to dairy productivity
17:40-17:50	19:40-19:50	Ivana Sarac, University of Belgrade, Serbia Title: Correlations of fatty acids profiles in erythrocyte phospholipids and estimated desaturases activities with cardiometabolic risk indicators in non-diabetic women

DAY 02

TUESDAY, SEPTEMBER 13

KEYNOTE PRESENTATIONS

GMT Timings	Local Timings	
10:00-10:40	11:00-11:40	Dipak P Ramji, Cardiff University, United Kingdom Title: Natural products as preventative and therapeutic agents in atherosclerosis and cardiovascular disease
10:40-11:20	13:40-14:20	Yasin Ozdemir, Ataturk Horticultural Central Research Institute, Turkey Title: Artisan cheeses, bayramic Cheese and their probiotics
11:20-12:00	16:50-17:30	Om Prakash Yadav, Haryana Agricultural University, India Title: Indian gooseberry-A nutrients rich and health promoting medicinal plant -An overview
12:00-12:40	19:00-19:40	Vladimir Gorchakov, Novosibirsk State University, Russian Federation Title: Nutriciological possibilities of improving effectiveness of lymphatic node as endoecological factor
12:40-13:20	18:10-18:50	Vasudeva Singh, Gauhati University, India Title: Effect of physical processing of commercial de-oiled rice bran, hydrothermal and biotechnological treatments on nutraceutical content and antioxidant activity of rice bran; Physico-chemical and nutritional properties of germ from different types of rice bran

ORAL PRESENTATIONS

13:20-13:40	21:20-21:40	Wan Rosli Wan Ishak, Universiti Sains Malaysia, Malaysia Title: The roles of selected natural by products in lowering glycemic index of foods
13:40-14:00	15:40-16:00	Ivana Sola, University of Zagreb, Croatia (Hrvatska) Title: Interspecies transfer of metabolites for improvement of plant phytochemical content and biological effects
14:00-14:20	16:00-16:20	Lara Testai, University of Pisa, Italy Title: Anti-obesity benefits of vegetables containing glucosinolates: role of hydrogen sulfide
14:20-14:40	15:20-15:40	Rjimati El Arbi, International University of Casablanca, Morocco Title: Food and nutritional profile of Moroccan women and children and SDGs
14:40-15:00	20:10-20:30	Ganga Sahay Meena, ICAR-National Dairy Research Institute Karnal, India Title: Production and characterization of indigenous buttermilk (a nectar for humans) powder
15:00-15:20	20:00-20:20	Ali Imran, Government College University, Faisalabad, Pakistan Title: Extraction and characterization of polyphenols from nopal and its by products for food application

15:20-15:40	18:20-18:40	Ayse Elkoca, Gaziantep İslam Bilim ve Teknoloji University, Turkey Title: Women in the climacteric period may have nutrition
15:40-16:00	18:40-19:00	Davut Karahan, Bingol University, Turkey Title: The effect of various processes on the physical properties, Bioactivity and sensory properties of honey
16:00-16:20	18:00-18:20	Azza M.A Abul-Fadl, Banha University, Egypt Title: Cultural analysis of the sustainable development goal indicators that impact under-five stunting in the Arab states
16:20-16:40	18:20-18:40	Mahmoud Mahrous Mohammed Abbas, Al-Azhar University, Egypt Title: Potential carcinogenic and non-carcinogenic health risks of heavy metals ingestion from consumption of the crayfish, <i>Procambarus clarkii</i> in el-rahawy drain and el-kanater in the river Nile, Egypt
16:40-17:00	18:40-19:00	Ivana Sarac, University of Belgrade, Serbia Title: The effect of vegetarian diet on immunity – Are there the gaps in the previous research?
17:00-17:20	21:30-21:50	Nazanin Sabet, Kerman University of Medical Sciences, Iran (Islamic Republic of) Title: The effects of herbal supplement of <i>Ginkgo biloba</i> on brain edema, neurologic outcome and oxidative stress following traumatic brain injury in male rats
17:20-17:40	21:50-22:20	Majid Hajifaraji, National Nutrition and Food Technology Research Institute, Iran (Islamic Republic of) Title: Short-term to long-term strategies for improving food security and nutrition in the covid-19 pandemic
17:40-18:00	22:20-22:40	Shima Abdollahi, North Khorasan University of Medical Sciences, Iran (Islamic Republic of) Title: The effect of meal frequency on biochemical cardiometabolic factors: A systematic review and meta-analysis of randomized controlled trials
18:00-18:20	19:00-19:20	Fatiha Brahmi, Abderrahmane Mira University of Bejai, Algeria Title: Application of potato (<i>Solanum tuberosum L.</i>) peels as an antioxidant in yogurt formulation
18:20-18:40	13:20-13:40	N Singh, The Chicago School of Professional Psychology, United States Title: Sound Healing for Holistic Health Recovery

UPCOMING CONFERENCES

4th Edition of
International Nutrition Research Conference

June 19-20, 2023 | Rome, Italy
